WWW.KADEX.KZ

International exhibition of weapons systems and military equipment “KADEX” is held once in two years in the capital of the Republic of Kazakhstan, Astana city. Since 2010 “KADEX” has become the excellent place for demonstration of the latest achievements in military industry and experience exchange among specialists.

World community has highly appreciated the conduct of Kazakhstan Defence exhibition. It has been proved by increasing attendance and participation, each exhibition is marked by signing a number of significant agreements.

International Exhibition of weapons systems and military equipment “KADEX” has become a good tradition and firmly retains the role of forum that unites members of world's leading companies in military industry.

WELCOME TO KADEX

Let us invite you to take part in the IV International Exhibition of weapons systems and military equipment “KADEX-2016”! We are sure that this exhibition will foster strengthening of military – technical relations, development of industrial and scientific potential, introduction of innovations, and will become a great opportunity to inform a wide range of potential partners about products and new perspective projects.

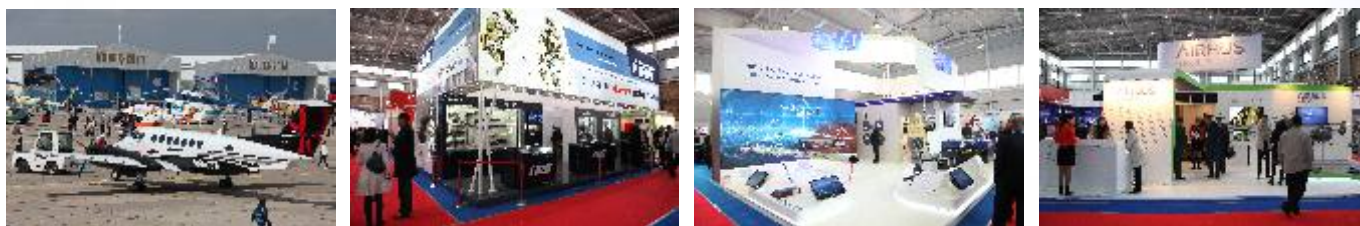

MAIN SECTIONS OF KADEX:

- » ARMAMENT AND MILITARY EQUIPMENT OF THE LAND FORCES AND NAVAL FORCES
- » AVIATION AND AIRCRAFT WEAPONS, AIR DEFENCE SYSTEMS
- » SPECIAL PURPOSE EQUIPMENT
- » IT TECHNOLOGIES AND COMMUNICATION SYSTEMS
- » LOGISTICAL AND TECHNICAL EQUIPMENT

\$2.6 billion worth of contracts signed at KADEX-2014

The Third International Exhibition of Arms and Military Equipment "KADEX" in Astana was very successful in terms of contract signing. More than 46 thousand visitors attended "KADEX-2014". Apart from a range of military equipment, they could enjoy performances by the foreign and local military bands.

The exhibition brought together 208 foreign companies, 92 Kazakhstani enterprises and 54 official delegations from 28 countries. More than 300 full-scale test weapon systems and equipment were exhibited. These included equipment for ground forces, naval forces, air forces, air defence and communications personnel. Such brands like Fabbrica d'Armi Pietro Beretta S. p. A., Airbus Industries, Israel Aerospace Industries, Otokar, Ceska Zbrojovka, Rohde & Schwarz, Poly Technologies Inc., Boeing, Sikorsky, GeneralAtomics and many others took place in KADEX-2014.

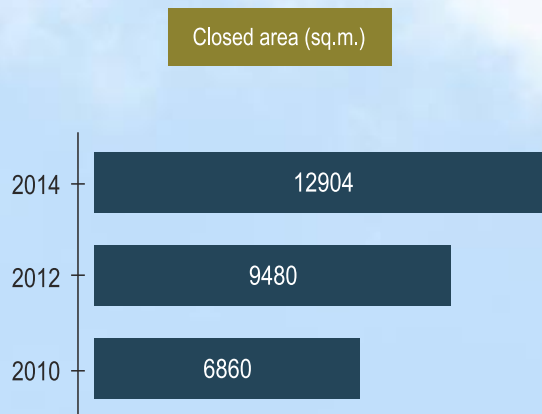

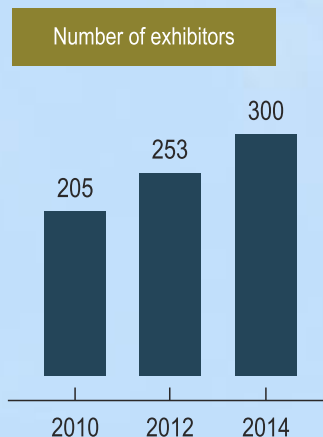

More than 10 thousand specialists attended this exhibition. 200 journalists representing over 40 mass media from Kazakhstan and abroad reported about "KADEX - 2014" to the world.

As pointed out by the Ministry of Defence of Kazakhstan, KADEX-2014 helped identify a range of products that the authorities are interested in purchasing, improve conditions for the development of defence industry in Kazakhstan, and deepen cooperation with leading foreign manufacturers of weapons and military equipment.

As a result of the Exhibition, a total of \$2.6 billion worth of contracts, memorandums and agreements were signed.
